Parking by invitation from Sanday

In connection with limited parking space, it is only possible to park by invitation in the Winthont parking garage. The Winthont parking garage can be reached via the fly-over/entrance upstairs. Here you can sign in at the Winthont/Sanday reception via the column on the left. The gate on the right will then open for you. Visitors can only park in the parking spaces assigned to Sanday on the 1st floor or the upper parking deck. These spaces are marked with our company logo.

Due to current parking policies, we remind you of your own responsibility to park correctly in the designated spaces.

Sign in and reception

Take the stairs to the central reception on the first floor (follow the signs Reception). Our hostesses will register your visit, inform us of your arrival, and direct you to the elevator to the 2nd floor.

Due to our information security policy, we ask that you identify yourself using a valid ID.

We look forward to seeing you.

See you on Sanday!
